Becoming a Brand Partner

To become a RadienLife Independent Brand Partner you must complete the enrollment process which includes the application for Brand Partnership and submit the \$19.95 enrollment fee in order to receive a RadienLife Identification Number and purchase products. All product purchases are optional.

As a RadienLife™ Brand Partner, you will be selling the RadienLife™ products and building a team of BPs to enable you to leverage the efforts of others while also helping them achieve financial freedom.

Your Brand Partnership includes an online Back Office that includes communications, tools and reports that you need to manage a successful home/web based business.

As a new BP, you will earn commissions on your personal retail sales of RadienLife products and when qualified, earn overrides on the sales of others.

Share It Pack - Get off to a Fast Start

As a BP you can also sell our Share It Pack to a new BP containing a generous selection of Sample Size packages of RadienLife™ products at a price so generous, that the Share It Pack is only available for purchase one time. (more than \$800 in retail value of samples come in this package) We encourage you to share this product with others to use and experience RadienLife™ products. The Share It Pack sells for \$199 and the selling BP earns a \$60 Fast Start bonus commission on every Share It Pack you sell. The 1st up line Premier Brand Partner (PBP) earns a \$30 bonus override on all Share It Packs sold by BPs in their Personal Group. As a PBP, you earn the \$60 + \$30 totally \$90 for each \$199 Share It Pack personally sold. (You begin earning the \$90 Share It Pack Bonus beginning in the weekly “bonus” period following the weekly pay period that you qualify for Premier BP). Additionally, you may earn overrides of up to 10% on Share It Pack CV through up to 6 generations of PBPs. Share It Pack Fast Start Bonuses are paid weekly.

When you join RadienLife as a Brand Partner, you become part of your up line Premier BPs personal group (PG). Your Personal Group Commission Volume (PGCV) and the Commission Volume (CV) that result from those that you sponsor into RadienLife count toward your qualifications to earn the Rank of Premier BP. All of the Commission Volume (CV) that comes from BPs that are in the Premier BPs personal group (PG) and not yet promoted to Premier BP, is that Premier BPs Personal Group Commission Volume (PGCV).

As a Brand Partner (BP), you may earn retail profits from selling RadienLife products to retail customers and you may earn wholesale profits by sponsoring other BPs into your Personal Group (PG). You can increase your discount buying privileges by having an active Automatic Convenience Order (ACO) (\$50
